SITE & STREET-CONTEXT PLAN — NOTES

- Indicative diagram — Hornton Street terrace shown schematically based on:
 - job16873-1.pdf OS inset (1:1250 extract showing No. 20 within its row);
 - front-elevation photos of Nos. 24 and 30 from the supplied PDFs (similar listed terrace).
- Subject = Flat 1 of No. 20 (basement + ground floor).
- No. 24 is the subject of an LBC consent (Savills 2007, LB 70979).
- No. 30 is the subject of an LBC consent (Rawspace 2014, LB/14/03475) — a useful precedent for the internal rec-room opening proposed at No. 20.
- Conservation Area: Kensington (TBC list reference).
- Heritage status: terrace Grade II listed (TBC list reference per RBKC schedule).

A street ELEVATION drawing showing No. 20 in the row does NOT exist in the source set and would need to be commissioned separately — the present sheet substitutes a schematic plan-view of the terrace at 1:500.
